Important Information

Due to the fact that we do have children in the school who suffer with serious nut allergies, please can parents ensure that if they are sending their child in with a packed lunch, they check that it **does not contain any form of nuts or nut spreads such as Nutella - PLEASE REMEMBER WE ARE A NUT FREE SCHOOL.**

Bazaar - Friday 8th December

Just a reminder that next Friday 1st December is the day to bring in your Christmas Jars - please festively decorate and fill a small jar (such as a jam jar) with small items (e.g. sweets, crayons, or anything that will fit in a jar!) for our stall.

We also still need lots more Volunteers to help on Stalls - Please fill in your slip or speak to the School Office if you can help on a stall - Thank you!

Holiday Requests

This is a quick reminder that schools are **not able to authorise** holidays during term time.

KS1 Sporting event at Ongar Academy

On Wednesday this week 22 of our KS1 children attended a special multi sports event at Ongar Academy. This had been arranged through our Local Schools Sports Partnership. The children were extremely excited about going and had an amazing time there. They met children from other schools and took part in a variety of different sporting challenges including; throwing and catching, hockey skills, balancing and even an assault course! All the children said how much fun they had. A big thank you to all the parents who were able to help in transporting the children to and from the event.

Regards
 Mrs Reid

Share your views through Parent View

If you are unable to come to the parent forums you can of course discuss matters with your child's class teacher, Deputy Head or Headteacher or alternatively you can share your views through Parent View. Parents and carers can give their views of our school at any time of the school year *and* at the time of a school inspection using an online questionnaire called Parent View. Please register with an email address and a password at <https://parentview.ofsted.gov.uk>. Once your login has been activated, it only takes a few minutes to complete answers to 12 short questions about aspects of school life. Your views are important in helping inspectors make a decision about our school, and to help us know what is going well and what could be improved. If you do not have a computer or an email address or if you would like help to use Parent View, please come into school and ask at the School Office.
