

Geography – We will look at oceans and land, focusing our learning on Great Britain and the seas surrounding it. We will also look at man-made and natural features of the seaside.

Maths – Our focus this half term will be number. We will be looking at counting, numbers and number sequences as well as consolidating and extending knowledge of place value, ordering, estimating, and rounding. We will develop our understanding of + and - using different mental calculation strategies.

Literacy – texts: Sharing a Shell, The lighthouse keeper’s lunch.

We will be writing labels, lists and captions as well as constructing sentences and writing postcards. We will also be looking at poems and writing our own.

The Seaside - Bees class – Autumn 1 – Year 1

PSHE – This half term we will discuss keeping ourselves safe and our school values.

RE – We will be looking at special things in nature this term.

Science – Our focus this half term will be animals including humans. Children will need to label the bodies of different animals; we will have a particular focus on fish and amphibians. We will also learn about our 5 senses.

Art – Our focus will be looking at the seaside and using a variety of techniques to create seaside landscapes. We will also look at a variety of sketching techniques.

Computing – Our focus will be algorithms and programming a moving toy. We will focus on how to write and follow instructions. We will also work on our typing skills and do some work on e-safety.
